DEAR MANAGER,

I have always been a loyal fan of your store and continue to appreciate the healthy selections of products you provide. However, I do feel there is one thing missing from your selection ➔ **RAU CHOCOLATE.**

Rau Chocolate is the first Organic Superfood Drinking Chocolate – unlike any other chocolate drink out there. It fuels a clean energetic lifestyle and every bottle is packed with:

- ➔ **ORGANIC CACAO BEANS**
- ➔ **ANTIOXIDANTS**
- ➔ **HIGH QUALITY ORGANIC SPICES**
- ➔ **PLANT NUTRIENTS + MINERALS**

To sweeten the pot, their drinks are:

- ➔ **LOW IN SUGAR**
- ➔ **VEGAN**
- ➔ **DAIRY FREE**
- ➔ **FREE OF PRESERVATIVES + FILLERS**

Most importantly, Rau tastes yummy!

Speaking on behalf of all the Rau lovers in this area, who also want a cacao beverage that is great for you; it would be terrific if you considered stocking your shelves with Rau Chocolate.

The team over at Rau HQ can be reached at sales@drinkrau.com and can even help find a distributor in your area to supply you.

CHEERS!

Signature, Rau Chocolate Ambassador
